

GARDEN ENTREPRENEUR PROJECT

**AN EXCITING WAY FOR KIDS TO EXPLORE
FUTURE CAREERS IN AGRICULTURE**

Staff and students love our Capsule Projects!
 Our turnkey enrichment solutions provide exciting opportunities,
 even for schools without gardens.

Our innovative
 three-year Garden
 Entrepreneur
 Capsule Project is
 launching this fall!
 Now is your chance
 to jump aboard.

THE FIRST 10 ENRICHMENT PROGRAM PIONEERS RECEIVE A SPECIAL BONUS!

In collaboration with our amazing innovative ag partners, we're giving students a glimpse into future ag careers through field trips, teaching and training videos, innovative turnkey garden solutions, and entrepreneurial opportunities. No other approved, regional vendor can offer our caliber of resources while supporting staff and inspiring students to connect with their ag futures. Become a pioneer for our Garden Entrepreneur Capsule Project to experience this phenomenal opportunity.
